*To provide our customers the best service through our practices of frank and honest communications, caliber workmanship and commitment to the utmost Level of professionalism.*

## **BRIEF HISTORY OF COMPANY**

**B. Pradhan & CO.** was established and Incorporated in New Delhi in 1960 as Bhamar Pradhan & Co. for the purpose of plumbing/sanitary & fire fighting, Contractor Mr. Bhamar Pradhan the founder of the company started as a plumbing engineer in one of the leading developers D.L.F. in 1952 in Delhi. He worked in the field of plumbing/sanitary, laying water & sewer line in colonies such as Hauz Khas, Panchsheel Park, Swami Nagar, Green Park, Greater Kailash, area under Mr. Burman the Chief Engineer of D.L.F. Thinking of putting his own company he left the job with D.L.F. and took his plumbing work in residential buildings, farm houses, hotels, Embassies, schools, hospitals and group housing society.

**BP Contracts** is now recognized leader in Plumbing/ Sanitary& Fire Fighting Industry. Our company offers quality, cost-efficient, plumbing sanitation & Fire fighting solutions for our commercial industrial clients while still maintaining our competitive edge. We have earned our exceptional reputation by consistently providing complete-customer satisfaction. This coupled with our firm's attention to detail and unequalled performance record is the cornerstone of **BP Contracts** past and future success.

We believe that customers deserve full value for their investment in our services. All of our work for a period of 6 months from the date customer accepts the installation & service provided.

We are continuously upgrading our equipment and implementation methods to keep ahead of the advancements in our industry. **BP Contracts** has a specialization in their respective field, viz, Sanitary Installation, Hot water and Cold water supply, Space Heating, both G.I. and copper, composite, C.P.V.C, s/s pipe, H.D.P.E., U.P.V.C. pipe etc. sewerage, Storm water drainage, Fire Fighting System and sprinklers, Water Filtration plants. Softening Plants, Hydro pneumatic automatic pumping system, Garden and fountains pumping and piping and its connected

Interior, Civil work. We endeavor to stay ahead in order to better serve our customers. Please see our **Projects** page for the project we have completed.

Thank you for spending your time to get acquainted with our company. We would like gladly welcoming the opportunity of providing your company with a competitive quote on a project that you may have need for Qualified Plumbing Sanitary & Fire Fighting Contractor.
